ABOUT US

OUR STORY

Tent House offers car parking shades in a variety of shapes and distinctive designs. We have taken the preferences of our customers as well as the location of the sun's movement into consideration. As a result, we offer them free advise and the best car shade design for their area.

Our Mission

Our Mission Is to Provide best services to our customers

Our Vision

Our Vision Is to become best Shed Maker Company in KSA

Our Goals

Provide Our Services In Every part of Saudi Arabia

OUR PRODUCTS

Car parking shades

Our company's core offering and top focus is car park sheds since they are crucial for protecting cars and their contents from harm and reducing the intensity of the heat inside of them. This is especially true in nations along the Arabian Gulf.

Cobra for car parking

Cobra is a brand-new model in our lineup of automobile parking shades from Shades Systems, as well as one of their newest items.

Garden and playground shades

Our Company also manufacture's Garden and playground shades according the requirement of client

Umbrella type

Umbrella type of car parking shade has a single post and the canopy area can easily provide shade for 2 cars. If the demand for shade is high we can easily customize and provide make it double sided which creates space for 4 cars on a single pole on the either sides.

School and Courtyard shades

Our items (shades for schools and courtyards) feature unique designs and lovely shapes. The covers for schools and courtyard shades are created from premium materials that adhere to international standards (polyethylene netting), giving them a shadow rate of more than 95 percent and making them durable for more than ten years.

Swiming Pool shades

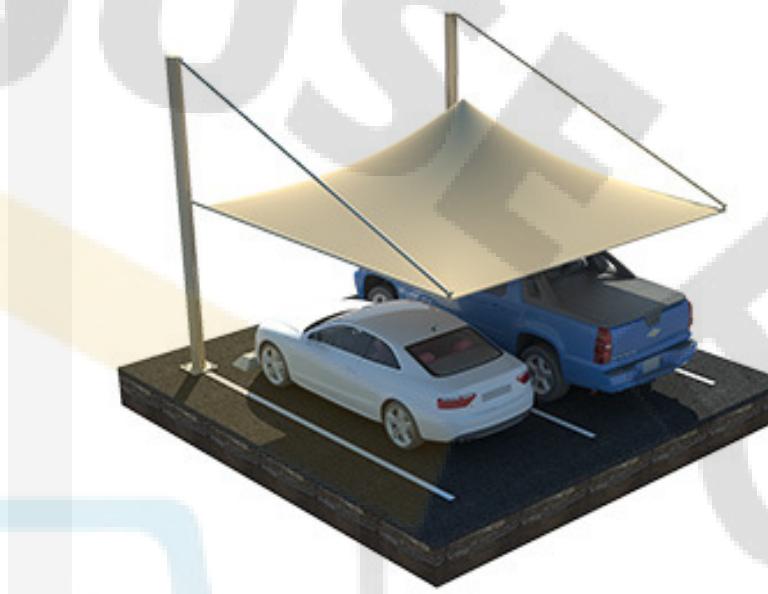

We have various kinds different sizes of swimming pool shades, whether in home, Villas, Residential complexes, Hotels, resorts or gyms.
